

Students to Register Monday, Tuesday

Elementary and high school registration for all students in grades from 1 through 12 will be held in various designated recreation halls on Monday and Tuesday, September 8 and 9, according to Clifford D. Carter, superintendent of schools.

A 6-6 system of education complying with the standards of the State of Wyoming Education Department and the North Central Association of Secondary Schools and Colleges will be followed.

The first 6 grades will comprise the elementary department and 7th through 12th grades will make up the junior high-high school division. This will enable students to transfer credits earned in the Heart Mountain High School and grade schools to other schools and also to obtain college entrance into all institutions of higher learning approved by the North Central Association.

According to the census survey of immediate students, there are approximately 600 in the lower 6 grades which comprise the elementary department, and 900 in the upper 6 grades from 7th through 12th.

The Wyoming law requiring attendance at school will be enforced.

Sixty-two Caucasian class room teachers and 8 administration supervisors have been hired. The balance of the teaching staff will be composed of colonists who meet the requirements of the Wyoming educational system of certification.

New text books and other school supplies are expected to be here in time for the formal opening of schools.

Plans are underway to open night school for adult education on October 5. A description of courses offered will be announced later. Plans for the formation of kindergarten will also be announced at a later date.

Registration for high school grades from 7th through 12th will be held in recreation halls in blocks 22, 23, and 25. Registration for elementary children from 1st through 6th grades will be held at the following recreation halls:

Blocks 1,2,6,8,	at Block 6 - 25
Blocks 9,12,17,20,	at Block 17 - 26
Blocks 14,15,21,22,	at Block 15 - 25
Blocks 25,27,28,29,	at Block 28 - 25
Blocks 23,24,30,	at Block 30 - 25

Students interested in attending colleges are advised to contact Mrs. Evelyn Thompson, secretary to Clifford D. Carter, superintendent of schools, for information concerning the Student Relocation Program.

6,824 Colonists Already Inducted

6,824 colonists including the first group from Santa Anita have been inducted from the following sources: Pomona, 5260; North Portland, 938; Santa Anita, 611; Tanforan, 7; Puyallup, 3; Bismarck, 3; Santa Fe, 1; and one honorably discharged soldier.

The project is built to house 11,000 residents.
